

# For Sale: Adams 10 cabin racer

Fast, fun, safe, tough and relatively cheap to race; easy to sail competitively with few crew.

“Paragon” (R175) is for sale and initially advertised exclusively on the RYCV website and notice board. Currently berthed at RYCV in marina pen F7.

Features:

- 4 bunks and storage cupboards
- Lifelines
- Fitted Jabsco toilet with ceramic bowl and manual flush. Plunger type through hull fittings to reduce drag (fitted 2013)
- Mercury 8HP outboard (serviced recently and leg rebuilt), with adjustable height stern bracket, 25L fuel tank and new fuel line
- New rudder, tiller, tiller extension and pintle pins.
- All running rigging replaced within the last 2 years
- Many new blocks and fittings
- New mainsheet traveller and swivel cleat
- Mast recently overhauled (clear coated, new halyards, new wiring with LED lights fitted)
- New dynex backstay with integrated VHF antenna
- Keel bolt lifting points fitted, with slings certified lifting slings to allow lifting on the blue crane.
- Hull underwater taken back to Gelcoat, smoothed, epoxy primed and antifouled (2013).
- All CAT5 safety gear including VHF radio – Eligible to compete in Port Philip Bay long races.
- Optima yellow top battery - leakproof
- Current AMS certificate: **0.827** (rating without masthead spinnaker)
- Weight 3050kg (almost as light as a flushdeck Adams 10)
- Sails:
  - Dacron Mainsail (fully battened, with reefing points) - Fair Condition
  - #1 Headsail – Good
  - #1 Light Headsail – OK
  - #1.5 Headsail – OK
  - #2 Headsail – Excellent (ex. Executive Decision)
  - #3 Headsail – OK
  - Fractional Spinnaker – OK
  - Masthead Spinnaker – Excellent

Ready to race and day sail!
