

**Ron Holland, Yacht Designer and Author of
*All The Oceans – Designing by the seat of my pants***

Celebrated yacht designer Ron Holland drew his first yacht at 19 years of age. He rapidly made a name for himself as one of the most successful and sought-after designers in the highly competitive world of international ocean racing, before advancing to bigger things. His seminal influence on the then-new category of superyachts, those toys of the rich and super-rich, brought him fresh success, and an introduction to a world of fascinating personalities: business tycoons, royalty and rock stars. For over 50 years Ron's innovative designs have repeatedly shaken up the world of sailing.

His memoir ***All The Oceans – Designing by the seat of my pants*** is being launched in Australia in February 2018.

Join us at the **Royal Yacht Club of Victoria** where Ron will share tales from his new book and give insights into being one of the world's leading yacht designers.

The book will be available to purchase (\$75 RRP) at Club Night and Ron looks forward to meeting you to sign your copy during the evening.
