

B&G Laura Gloria Series 2022

Notice to Competitors #3

Change to SI 8.3

Replace the existing Clause with the following:

8.3 Each race will commence with flag signals as per RRS26. The preparatory signal for each Start Group is deemed to be 4 minutes before that start group start time.

Rationale: This allows boats with a later start time to use their engines after the Preparatory Flag is displayed and before 4 minutes to their group start time without penalty. This change also activates RRS 23.1 in that boats that are not inside their 4 minutes to group start time are required to keep clear of yachts that are.
