

“Come within Hail”

Livingston Trophy

Notice to Competitors #2

Securite, Securite, Securite.

Due to Yarra river flooding, the water surface to the North of the RYCV marina is littered with dead animals, trees and vegetation, together with general rubbish that poses a risk to navigation.

Keep a watch when navigating these waters and beyond.

Food, Food, Food

The bar will open at 0830 for coffee, wraps, and sandwiches for the voyage
