

SIMPLIFY CREW MANAGEMENT

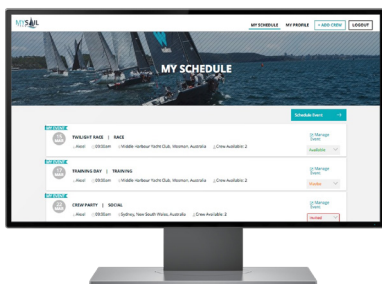

Get your crew sorted fast & build a winning race team with MySail.

Managing a racing yacht is hard enough, without the hassles of finding and organising a crew every week. All that time spent with emails, calls, text and spreadsheets, then trying to find enough crew to make a competitive race team.

MySail makes it easy to schedule races, coordinate your crew, communicate with team members, and find new sailors to fill any gaps.

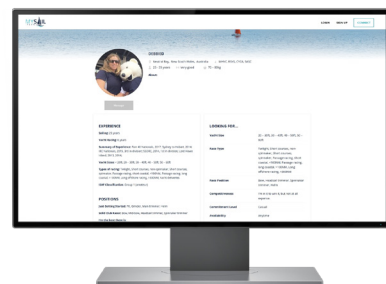

Build the team you need to be competitive and get your crew sorted fast, with MySail.

1) MANAGE YOUR CREW

Schedule races, communicate with your crew, track crew availability and assign race positions, all in one place.

2) BUILD YOUR TEAM

Build your race team by connecting with new sailors matched to the requirements of your yacht.
