The lawn and deck areas can only be accessed via the front door; we are under strict density limits that will be managed by the bar staff & management. The timber ramps onto the deck will also be closed and the lawn tables & deck will be fenced off to control the density limits.

Exiting the clubhouse, lawn and decking areas must be done so via the western door out past the men's amenities and onto the hardstand. Persons with limited access can exit via the front door.

# Yard Access

To reduce the COVID risk to employees and contractors, we are restricting access to the yard. Only contractors and boat owners that have their vessel in the yard are permitted to enter this area
