

RYCV LIBRARY LISTING - SORTED by CATEGORY

This listing is ideal for members to browse books in a particular category
 However, to check if we have a particular book, members may like to use the pdf search
 for a word, or sequence of words, either in the author or title.

Books are numbered and grouped broadly by category as follows

C	CRUISING
D	DESIGN & MAINTENANCE
H	HISTORY
L	FICTION
M	MISCELLANEOUS
N	NAVIGATION
R	RACING

Within each *group* on the library shelves the books are sorted broadly alphabetically by author
 Some large format books are stored in the bottom shelves of the west wall.

Because of space limitations some books are in the yard container
 Librarian Bob Johnston can assist in finding a book on the shelves. (Contact through reception)
 and can advise members on finding books that we do not hold.

Members can borrow books but must inform the front desk so the loan can be recorded
