

“Come within Hail”

B&G Laura Gloria Series 2022

Notice to Competitors #5

Please find below a link to the decision of the protest committee for a hearing held on the evening of Monday 5th September regarding the pursuit race sailed on August 17th.

The results for the race have been amended with four boats now scored as OCS. However, it was the view of the members of the protest committee that other boats may have also been OCS but were not able to be identified in the redress hearing. Please read the facts found and decision of the hearing to understand what occurred during the start process, the reason for the change, and if you believe that you may have also been OCS you may choose to retire from the race. If you believe that other boats may also have been OCS, you have the option of submitting a request for redress with the protest committee accepting an extended time limit until 9pm on Thursday September 8th.
