

Laura Gloria Series 2023

Notice to Competitors #4

I have received a request for review of the results from today.

It has been the started policy of the Race committee to use the TopYacht generated Tchc from the race before for generating the start sheet for a race.

Unfortunately, there was a transcription error in the start sheet for Race 4

SI 5.2 allows the race committee to amend a start time that has been printed. In this case we have done that by applying the corrections to the finish time.

Particularly:

H35 ONYX has 2 minutes deducted from her finish time,
R361 BEAU CIEL has 4 minutes deducted to her finish time,
R40 VALIANT 9 has 2 minutes added to her finish time.

Rationale: This change to the finish time alters the elapsed time to that which was intended had the start time been published correctly.
