

Notice to Competitors

Sunday 23 November

T&O Racing 2024-25

On Sunday 23 November only, the race committee intends to use VHF channel 73 for communications with competitors.

Future T&O races will revert to VHF channel 69.

Rationale:

Several other events are occurring on this day that utilize VHF channel 69. The channel change will reduce congestion impacting communications with both the T&O competitors and the events running simultaneously.
