RYCV McCutcheon Cup - 2 x Laid Courses
RMYS Measurement Cup - Races 1 & 2

The **Start location will be moved** from the Alpha Course area south of Gellibrand Shoal to the Charlie course area in the vicinity of the **RMYS C Mark**.

Rationale:

- A fixed mark race is being run in Altona Bay scheduled for the same time.
- There is a potential for interaction between the fleets.
- The race committee has evaluated the potential risks and has decided to change the race area for the McCutcheon Cup/Measurement Cup laid course races.
