Afternoon pursuit and Twilight Races

The race committee have made the decision to postpone the afternoon pursuit and the twilight race for today.

Rationale:

- A strong wind warning is current for Port Phillip.
- The BoM forecast has forecast squalls to 42 knots possible in the late afternoon and early evening. These squalls are associated with the Southerly change.
- Weather models and advice from the BoM show the Southerly change impacting the top of the bay between 1630 and 1900 this evening with winds gusting above 30 knots.
