Standard Sailing Instruction - Attachment 1 Courses and Marks – v7.1, RYCV club courses and utilize the RYCV Supplementary Sailing Instruction

[D - Saturday Fixed Mark Races](#)

Starts

There will be 3 separate starts as per the sequence below with the first warning in the sequence being 1355. Further information will be given via the race radio channel.

Start 1 – 150th Jubilee Novice Skippers Race - Class Flag “T”

Start 2 – HBYC Next Generation Series - Class Flag “E”

Start 3 - Geoffrey Evans – Class Flag “R”

NOTE: *HBYC Next Generation* Competitors should submit crew declarations using their series link or QR code. <http://tymob.net.au/1826> other competitors should use the link <http://tymob.net.au/1827> - This changes the Sailing Instructions.

Additional clause added to Supplementary sailing instruction - D Saturday Fixed Mark Races

The following additional clause is now included;

D5A A laid mark may be specified as the first mark after the start. This mark will be an orange inflatable buoy. The mark will be laid approximately to windward of the starting line between 0.5 to 0.9 nm from the starting line. The direction of rounding the mark will be indicated by the display of a green or red flag from the Starting Vessel – green for starboard rounding and red for port rounding. If no rounding signal flag is made, the mark is deleted from the course to sail.

Rationale:

Courses - Clarify courses and course area for all competitors.

Starts - Clarify start sequence and Class Flag associated with each start.

*Additional clause added to Supplementary sailing instruction - D
Saturday Fixed Mark Races –*

Allows for a windward start independent of wind direction. This changes the Sailing Instructions.
