

Notice to Competitors

Class Monkeys

Competitors are advised that the time for the first warning listed for the long course races has been changed by RMYS.

The time was 1355 for first warning. It has now been brought forward to 1255 for first warning for all long course Class Monkeys races hosted by RMYS.

An updated NOR and calendar will be released reflecting the time changes.

Rationale:

An update is required to reflect the NTC issued by RMYS changing the start time for the series.
