

Notice to Competitors

Wednesday 25 June

Laura Gloria Series

The race committee have made the decision to postpone the race for today, 25 June 2025, due to inclement weather.

Rationale:

- A strong wind warning is current for Port Phillip.
- Wind strength in Williamston is forecast to average 25 knots with 30+ knot gusts by 1300.
- Low temperatures combined with windchill will result in an apparent temperature of 2-3°C on the water.
- Sea state is predicted to be in the order of 1.4 to 1.9 m.
- Wind strength and sea-state are forecast to increase until late afternoon.
