## Elwood Huon Fixed Mark Race

### Saturday 22 November

The first warning time for the Elwood Huon Fixed race as listed in the RYCV NOR Annexure is incorrect.

The correct first warning time for the Elwood Huon is **1055**.

The RYCV NOR Annexure has now been re-published as Version 7.0 with the correct first warning time.

As a reminder this PPNYC fixed mark series is hosted by RMYS and will use one of the RMYS tower start courses.

#### **Rationale:**

- The time listed in the downloadable pdf calendar and the Club Google calendar was correctly given as a first warning of 1055. While this was the case the RYCV NOR Annexure listed the first warning time as 1355.
- While the RYCV online calendars showed the correct time the RYCV NOR Annexure was not updated to suit. This has now been corrected.
