Single Handed Series Sailing Instruction Update

The race committee have updated the single-handed sailing instruction to clarify the additional requirements placed on competitors in the G&J Single handed series. The updated Sailing instruction may be found here :-

<https://rycv.com.au/sailing-instructions/>

under the link titled **G. SUNDAY SINGLE HANDED RACES.**

Rationale:

A PPNYC Policy has yet to be published. The conditions set for single-handed sailing are therefore contained in the Sailing Instruction.

Please pay careful attention to clause **G5 SPECIAL REQUIREMENTS FOR SINGLE HANDED COMPETITORS** including flying the "Y" Flag while racing and the requirement to wear a lifejacket at all times.
