

Notice to Competitors

S80 Victorian State Championship

9 January 2026

The race committee and the S80 Association have made the decision to bring forward times of the races and associated events on Friday 9th January. This changes the Notice of Race paragraph 6 – **On-shore schedule** and **Race schedule**.

The Event Briefing will now be held at **09:00** and the first warning for the 2 scheduled races will be **10:25**.

An updated Notice of Race will be published.

Rationale:

- The weather forecast For Friday indicates unsettled conditions including an afternoon thunderstorm with squalls above 40 Knots possible.
- An earlier start allows for a higher likelihood of keeping the regatta schedule.
