

Notice to Competitors

S80 Victorian State Championship

10 January 2026

There is a current Gale warning in place for Port Phillip. No racing is conducted during an active Gale warning and as such today's races are postponed.

Rationale:

- The RYCV Inclement weather policy does not permit racing during an active gale warning or within 3 hours of an active Gale warning.
- Advice from the BOM duty forecaster is that the gale warning will remain in place for much of the day with winds strengthening during an afternoon change.
- The current wind readings are above S80 class limits.
