Navigators Challenge Overnight Race

28 Feb – 1 Mar 2026

The race committee have made the decision to cancel the running of the Navigators Challenge Overnight race

Rationale:

Unfortunately, due to low entry numbers, we have made the decision to cancel this year's Navigators Challenge.

While this is disappointing, we appreciate the interest shown and the support of those who had planned to take part. We will review the format and timing of the event and look forward to running the Navigators Challenge again next year.
