

Notice to Competitors

Wednesday Afternoon and Twilight Racing

11 March 2026

Due to the Strong Wind Warning issued for Port Phillip, the Race Committee has made the decision to postpone the Wednesday Afternoon and Wednesday Twilight race.

Rationale:

Conditions from 14:00 make racing unsafe. The forecast is listed below:

Winds: North to northwesterly 20–30 knots, shifting southwesterly in the afternoon

Weather: Possible thunderstorms in the late afternoon and evening with squalls above 40 knots

At the time of writing this, Point Wilson is recording gusts of 35+ knots which are rapidly moving up to Williamstown.
