

Notice to Competitors

Class Monkey Long Distance Race 9 May 2026

The Class Monkey Long Distance race will be hosted by RYCV today.
The start area will be in the vicinity of the X Ray mark.

Courses will be selected from the **Common course book** Courses 9 to 19,
designated Wednesday Pursuit Courses.

Start times will be called on the race radio. The first warning will be at
1255.

The race radio channel will be VHF 69.

Rationale:

RMYS have changed the start time of the Saturday Pursuit race to 11:00.
that was to host the Class Monkey long distance race on 9th May 2026.

To keep the published start time RYCV will host the race for the Class
Monkey Fleet.
