PPNYC FIXED MARK SERIES AMENDMENT

The Lipton Cup Sunday Fixed Mark Race on 22 November 2026 is removed from the PPNYC, RYCV and HBYC Fixed Mark Series for 2026-2027.

Amendment to the PPNYC NOR:

In section 13 of the PPNYC Notice of Race, "Fixed Mark Series - 7 races" is changed to "Fixed Mark Series - 6 races" throughout. The remaining races will be numbered 1 to 6 in date order.

The PPNYC Aggregate (Sheep Stations Trophy) retains nine races. In section 13, replace the Fixed Mark reference "Race 1, 4 and 6" with "Race 1, 3 and 5" following renumbering.

Impact on individual club series

RYCV - Jeffrey Gray Series and HBYC - Fixed Mark Series - The Lipton Cup Sunday race is removed from the RYCV and HBYC Annexure. The series for both clubs reduces to six races.

RMYS - Fixed Marks Series: This race was not included in any RMYS series. No amendment is required.

This aligns club schedules while retaining separate Lipton Cup Regatta scoring.

Lipton Cup Regatta

Sunday racing on 22 November 2026 will proceed under the Lipton Cup Regatta Notice of Race, with its conduct and scoring unaffected. Results will not count towards PPNYC or club Fixed Mark Series or the PPNYC Aggregate.

Rationale:

The removal of this race from the PPNYC and Club series gives more flexibility in setting different courses for different Lipton Cup divisions.

Revised versions of the PPNYC Notice of Race, RYCV Annexure 3 and HBYC Annexure 2 will be issued. This notice confirms the amendments pending publication of those documents.
