Start Times

Topyacht, by default, publishes a start time for all pursuit boats referenced to the original Start time. This cannot be changed.

Start Time	Sail #	Boat	First Name	Last Name	Class	PURHC
13:59:00	R316	SUBLIME	Peter	Roberts	RYCV1	-1.000
14:00:00	H113	HANINI	Dan	Kennedy	HBYC1	0.000
14:00:00	R471	NUNYARRA	David	Barnett	RYCV1	0.000
14:02:00	H43	ASTERIX	David Gaylor	James Walshe	HBYC1	2.000
14:02:00	H134	WORKING CAPITAL	Mike	Darby	HBYC1	2.000
14:02:00	R1441	MARAMA	John	Russell-Cook	RYCV1	2.000

If there is a delay to the start the times in this column will be incorrect.

The **PURHC** column and the start time offset should be used to determine your starting time rather than the **Start Time** column.

Rationale:

The **PURHC** offset should be used to determine each start time in relation to the start sequence as signalled by the committee vessel.

This will avoid boats starting early or late in any pursuit race.
